

OCTOBER

Opportunities for RISE WTU Members

RISE is about honoring educators as professionals and providing opportunities to learn and grow.

We hope you had a great first month of the school year!

For those who joined us for the RISE Speaker Series, thank you for attending! We hope the sessions offered helpful insights and best practices that you can easily utilize in your classroom. We are excited to continue the series in November.

Check out the October opportunities detailed here. As always, feel free to reach out with any questions, suggestions or needs related to RISE. RISE is committed to leading programing that you are excited about and are eager to participate in. We value your feedback in how we can improve the program and see and value all your hard work in September.

More information about RISE is always available at risedcps.com, and the RISE team can be reached at RISE@k12.dc.gov.
