

OCTOBER

Opportunities for RISE CSO Members

RISE is about honoring educators as professionals and providing opportunities to learn and grow.

We hope you had a great first month of the school year!

If you joined us for the RISE Speaker Series, thank you for attending! We hope the sessions offered helpful insights and best practices you can easily utilize. We are excited to continue the series in November.

Check out the October opportunities detailed here and the RISE Educators PDF to view the opportunities you can help promote. As always, feel free to reach out with any questions, suggestions or needs related to RISE. RISE is committed to leading programming that you are excited about and are eager to participate in. We value your feedback in how we can improve the program and see and value all your hard work in September.

More information about RISE is always available at risedcps.com, and the RISE team can be reached at RISE@k12.dc.gov.

Best,
Olivia Stitilis, Director, RISE
